This is a table documenting tuition and required fees, room rates, and board rates at member institutions of the American Association of State Colleges and Universities, by state, for 1969-70. The figures given are for typical full-time undergraduate students for 2 semesters, 2 trimesters, or 3 quarters. The 1968-69 rates are also given when they differ from those of 1969-70. Tuition and required fees for residents (of the respective state or district) for 1969-70 vary from \$70 at the District of Columbia Teachers College to \$685 at the Maine Maritime Academy. Rates for non-resident students vary from \$265 in the state colleges of Maine to \$3,466 at the Platteville Campus of the Wisconsin State University. Room rates vary from \$100 at Florence State University to \$570 at the University of Toledo. Board rates vary from \$288 at California State College (Penn.) to \$682 at the University of Nevada. Over 65% of the approximately 260 institutions report a tuition and required fees increase over 1968-69, ranging up to \$202 for residents (University of Northern Iowa) to \$716 for non-residents (Platteville Campus of the Wisconsin State University). Four of the institutions report a tuition and required fees decrease. (DS)
